Passport: EP7474807 **Work permit:** Ethiopian **Date of birth:** 05/04/2000 **National ity:** Ethiopian

ABOUT ME

I'm a Computer Science graduate and Web Developer from Ethiopia. I build responsive, user-focused web applications using HTML, CSS, JavaScript, PHP, MySQL, and Node.js. Through hands-on academic and personal projects, I have developed practical experience in frontend development, backend development, databases, and web application design. I'm currently looking for international opportunities where I can continue developing my skills and contribute to real-world software projects.

EDUCATION AND TRAIN- ING

[02/2021 – 26/06/2026]

Bachelor of Science Degree in Computer science

Debark University

City: Debark | **Country:** Ethiopia | **Field(s) of study:** Computer Science

PROJECTS

https://isemdevelo.github.io/meseret_portfolio/

Personal Portfolio Website

Created a personal portfolio website to showcase my education, technical skills, projects, and contact information. The website provides an organized and professional way for visitors and potential employers to learn more about my background, experience, and work.

Link: https://isemdevelo.github.io/meseret_portfolio/

Weather-app

A clean weather dashboard search any city for current conditions and 5-day forecast.
